

I am a listener/supporter of KLOVE radio. Listening to KLOVE radio has changed my life, in a positive way. If KLOVE were displaced by an LPFM broadcaster providing alternate programming I and other listeners could lose a valuable, inspirational way of life (i.e. KLOVE radio). KLOVE serves the public interest in support of Christian values, by broadcasting inspirational Christian music and by serving as an alternative to more secular and less inspiring radio programming. My 3 children are safe listening to KLOVE. I never have worry that they will hear objectionable language or music.

Thank you for considering my comments.

Sincerely,
